

DISC GOLF COURSE Blue Heron Disc Golf Course opened in Franklin in October of 2011. The completion of the course was a joint effort between the Franklin Parks & Recreation, Duke Energy, and the Blue Heron Disc Golf Club. Many of the holes were sponsored by various Franklin area businesses. The course at Blue Heron Park helps to fill a void in disc golf courses in the area. There are almost 30 courses in Indiana, but a large majority are from Indianapolis and to the north. The Blue Heron course has 18 holes with a total distance course length of 5,001 feet. The Blue Heron Disc Golf Club plans to host 1-2 tournaments per year. In the first two months of the course being opened, hundreds of players have played the course and many of them multiple times. On an online disc golf course web site, where players rate courses they play, Blue Heron has been rated “above average” by players thus far.
